## About

I am a contemporary photographer with an interest in live music, equine, animal portrait, landscape, cityscape and experimental digital imagery. My craft has been honed over five years of studying photography in higher education including, a National Award and Diploma in Art & Design (Photography). I am currently completing a BA(Hons) Photography at the University of Wolverhampton. I am based in Leicestershire but frequently travel the country for photographic and personal interest reasons.

## Exhibitions

Final year show, North Warwickshire and Hinckley College 2011  
Freedom and Control, Long Gallery, University of Wolverhampton 2012  
Caught in the Crossfire, Herbert Gallery, Coventry, 2012  
F22 Agency website launch, Quadrant Lounge, Wolverhampton 2013  
The Photography Show, NEC, Birmingham 2014  
Degree Show, University of Wolverhampton 2014

## Work Experience

Sandwell College (2013) - assisted in teaching photography to level 3 students across a broad range of abilities. This included introductions to long exposure, teaching about HDR imagery, film processing, improvements to sketchbooks and research and general help with ideas.  
The Photography Show (2014) - front of house for the university stand at a major industry show. Included greeting and speaking to members of the public as well as exhibiting work specifically taken for the show.
